An Overview

- ❖ Founded in 1996
- ❖ Pan-India Organization working across 13 States
- ❖ Supporting many State Governments on Education & Health
- ❖ Endorsed by Multiple partners and recipient of many laurels.

Education is Our Priority Vertical

Improve the learning level outcomes of children through developing innovative pedagogical tools and assessment practices:

- ❑ Designed textbooks for State Government of Madhya Pradesh; applicable in 1,25,000 million schools
- ❑ Designed worksheets for use in all primary schools in state of Jharkhand

Enhancing capacities of teachers, BRPs, mentors and front line staff on addressing hard spots, weak skills, leadership and management skills

Supporting State Governments in writing curriculum and supplementary textbooks Haryana LEP

- ❑ SARD Haryana LEP manuals available in all 9000 primary schools

School Transformation through the following

- ❑ Child Resource Centre
- ❑ Introduction of different concepts through BaLA
- ❑ Focus on Principal Leadership and teacher cadre management
